COMES NOW the United States of America, by and through counsel, and hereby submits this Memorandum, on shortened time, in support for an Extension of Time to submit responses to defendant's motions.

On December 5, 2005, defendant **Glade Lusk** filed two motions: 1. Motion to Strike "death or physical injury" aspects from the count charging Possession with Intent to Distribute, and 2. Motion to Strike Citation to 21 USC 841(b)(1)(C) from the same

count.¹

The government, with the concurrence of counsel for Mr. Lusk, requests a one week continuance in the response deadline, until Monday, December 19, 2005. The reason for this request is that the two parties are conducting serious discussions regarding possible resolution of this case, and the current trial date of January 17, 2006, should allow the court sufficient time to rule on the motions should that become necessary.

DATED this 12th day of December, 2005.

¹ These motions do not affect Matthew J. O'Connor, who is not named in this particular count.
